

# HEALING RETREATS

for Couples & Singles

## GREECE *Retreat*

(Greek Islands)

**AUGUST 5-12, 2023**

**8 DAYS / 7 NIGHTS**

Loving your partner is not always enough for the lifelong union you once desired; sometimes, the shared connection can weaken, lose its depth and meaning. Every couple deserves an opportunity to reawaken, revive and restore the passion and emotions that once brought them together. From this brilliance you allow and create a heart energy and open to a magnificent transformation. This opening can lead to discerning wisdom within oneself, rekindle gentle loving and understanding to move forward into one new found creation.

This light, healing, and love is available to you now in a safe, warm nurturing retreat!
